

**The world is a beautiful place
to be born into
if you don't mind happiness
not always being
so very much fun
if you don't mind a touch of hell
now and then
just when everything is fine
because even in heaven
they don't sing
all the time**

...

**Yes the world is the best place of all
for a lot of such things as
making the fun scene
and making the love scene
and making the sad scene
and singing low songs of having
inspirations**

...

**in the middle of the summer
and just generally
'living it up'**

Yes

**but then right in the middle of it
comes the smiling
mortician**
